DONATION SHEET

WE NEED YOUR HELP!

> **The Oconee Veterans Memorial is a tribute to the spirit, sacrifice and dedication to the American people and the freedoms we enjoy every day.** The Foundation's objective is to be progressive and dynamic as it fulfills its purpose to honor past, current, and future generations of military service members and the price of freedom for generations to come.

> **The Oconee Veterans Memorial is funded entirely by private and corporate contributions.** The first quarter goal for 2013 is to raise \$35,000. These funds are vital for general maintenance, repairs, flag replacement and future phases including a memorial wall naming the Oconee County citizens who died at the hand of hostile forces and a Wall of Honor that all can enjoy.

The Oconee Veterans Memorial Foundation, Inc is a private, not-for-profit 501(c)3 organization.
